

Opt Out Photo Release Form

For clarity, the term photograph as used herein encompasses both still photographs and videos.

CCALI will often take photographs of students and staff, or photographs in which the students may be involved with others for the purpose of promoting **CCALI**.

This form allows parents/guardians the option to not allow **CCALI** to take photographs of their minor children for the purpose of promoting the **CCALI**. Failure to exercise this option, releases and discharges **CCALI** from any and all claims arising out of the use of photographs, or any right that the parent or minor may have.

I do not give **CCALI** permission to take photographs of the minor named below or photographs in which the minor may be involved with others for the purpose of promoting **CCALI**. I also understand by exercising this option, the minor's photograph will not be in the annual yearbook, program events and other related school publications.

I understand this option is valid from the date signed and the school year in which it is signed only. I understand I must opt out every school year.

I am a parent or guardian. I have read the above statement and fully understand its contents.
